Vietnamese (tiếng Việt) is an Austroasiatic language that originated in Vietnam, where it is the national and official language. It is the native language of the Vietnamese (Kinh) people, as well as a first or second language for the many ethnic minorities of Vietnam. As a result of Vietnamese emigration and cultural influence, Vietnamese speakers are found throughout the world, notably in ...

The longest word in any given language depends on the word formation rules of each specific language, and on the types of words allowed for consideration.. Agglutinative languages allow for the creation of long words via compounding. Words consisting of hundreds, or even thousands of characters have been coined. Even non-agglutinative languages may allow word formation of theoretically limitless ...

Fighting between South Vietnam and the North Vietnamese-backed Việt Cộng escalated into what became known as the Vietnam War - although the Vietnamese officially refer to it as the American War. US economic and military aid to South Vietnam grew through the 1960s in an attempt to bolster the Southern Vietnam government, escalating into the dispatch of half a million American troops in 1966.
