These disparities are growing despite the fact that over the past two decades, closing the test-score gaps between affluent and poor children has been a central aim of national education policy, as embodied in President George W. Bush's No Child Left Behind law and President Barack Obama's Race to the Top program.

Executive Summary. The World Economic Forum's Global Risks 2012 report is based on a survey of 469 experts from industry, government, academia and civil society that examines 50 global risks across five categories.. The report emphasizes the singular effect of a particular constellation of global risks rather than focusing on a single existential risk.
