Intercultural Communication in Contexts (5th Edition)

The third part will discuss the concept of cultural identity in relation to intercultural communication. Intercultural communication in a global context. Intercultural communication research has by definition been related to the understanding of national cultures as the fundamental principle. Cultures were nations.

The Practice of Intercultural Communication

Intercultural communication takes place when individuals influenced by different cultural communities negotiate shared meanings in interaction.¹ What counts as intercultural communication depends in part on what one considers a culture, and the definition of culture itself is quite contestable.

InterCultural CommuniCation - World Bank

about intercultural communication, other historical, interpretive and critical perspectives also contribute to our understanding of our subject, particularly in acknowledging the influence of context and power in intercultural interactions.
