• The Magic of Believing Summary •. As evidence, • The Magic of Believing • presents stories from renowned personalities who throughout the history used the same elementary force to achieve their goals. The unvarnished stories represent the embodiment of real courage, which is also the most crucial asset in being victorious.

### **The Magic of Believing Summary - blog.12min.com**

The Magic of believing. The magic of believing was written by Claude M. Bristol and first written I think in 1944 and is still today one of the most recommended books today. I would also recommend this highly, everyone should read or listen to this book over and over and over again. It all begins with you, you are the key, start believing.
